

TOWN OF DARIEN

Notes Concerning the Application of Regulations:
Inland Wetlands and Watercourses, as shown schematically hereon, are regulated pursuant to Wetlands and Watercourses Regulations of the Town of Darien.

The Wetlands and Watercourses Map, according to Section 3 of the Inland Wetlands and Watercourses Regulations, is to be used solely for inventory purposes and in determining locations of properties for which applications are filed, pursuant to these Regulations. Any wetland or watercourse not shown on this map is nevertheless subject to these Regulations and the jurisdiction of the Environmental Protection Commission.

In addition, tidal wetlands and watercourses and land areas adjacent to both inland and tidal wetlands and watercourses are regulated by Darien Zoning Regulation (Section 810).

Areas directly covered by buildings, paved parking, and paved roadway are excluded from further wetland regulation under Zoning Regulations.
